Current Felipe Lledo Olmedo, *Multimodal Literacy in Industrial Technology* (Primary, Australian Catholic University).

Gyeyoung Lee, *Genre and Social Media Reviewing* (Auxiliary, The University of Sydney)

Monaliza Mamac, *Socio-semiotic Practices in Filipino Substance-Dependence Therapy*. (Auxiliary, The University of Sydney)

Annisa Shofa Tsuraya, *An Investigation of Phonology and Paralanguage Features of Indonesian Speakers of English in Oral Communication: A Systemic Functional Semiotics Approach* (Auxiliary, The University of Sydney).

Gonzalo Anibal Chand a Salinas, *Making knowledge about language visible: A linguistic perspective on English teacher development in Chile*. (Co-director, Pontificia Universidad Cat lica de Chile)

Masters Coursework Dissertation

Completed Jiani Chen, *Corporate Apologies on Social Media*. Awarded High Distinction, The University of Sydney.

Lungguh Ariang Bangga, *Sundanese transitivity: A first step into the description*. 2018, The University of Sydney, Awarded High Distinction & MAK Halliday Medal for First in Master of Applied Linguistics

Hye Ryun Park, *Examining Korean Personal Recounts: A Systemic Functional Linguistic Perspective*. 2017, The University of Sydney, Awarded High Distinction.

HIGHER DEGREE RESEARCH THESIS EXAMINATION

Doctoral Thesis

2024 Retha Knoetze *Investigating the Means of Legitimation of English Literary Studies: A Case Study of a Curriculum at a South African University*. Rhodes University, South Africa.

Lisu Wen, *Specialised Communication Knowledge & Technicality in a Chinese Medical Clinic Practice: An Exploration of Language and Genre Use in Clinical Consultation Services*. University of Technology, Sydney, Australia.

- 2023 Darby McGrath, *A Corpus-Assisted Exploration of Grammatical Metaphor Across Populations: Successful Student Writers, Expert Authors and EFL Learners*. Macquarie University, Australia.
- 2021 Ilse Lubbe, *An Exploration and Analysis of the Knowledge and Knower Structures and Recontextualisation Logics to Inform Accountancy Curriculum Change*. University of Cape Town, South Africa.
- 2019 Vicky Ariza, *Configuration of Writing in Higher Education: A Study of Academic Literacy in a Second Language*. Benemerita Universidad Autónoma de Puebla, Mexico
- Xueying Li, *A Study on Translation Choices for Logical Meaning from Chinese into English from a Systemic Functional Perspective*. University of New South Wales, Australia.

Masters by Research Thesis

- 2020 Bridgitte Maja Le Du, *Mapping Poetic Patterns of Evoked Appraisal: An Exploratory Study of Interactional Identities in a Narrative Account*. Rhodes University, South Africa.

RECENT CONFERENCE AND SEMINAR TALKS

- 2025 Modelling Context: Field, tenor and mode from multiple perspectives. *Sydney SFL Seminar Series*. August.
- Literacy in Industrial Technology: Reading and Writing in the Construction of Physical Objects. *50th International Systemic Functional Congress*. University of Glasgow. July.
- The Halliday and Hasan Archive. *Sydney SFL Seminar Series*. May. With Geoff Williams.
- 2024 Interpersonal control and responsibility: The system of PURVIEW in English. *Sydney SFL Seminar Series*. August.
- 2023 Writing for change: Negotiating regulation and proposing change. Guest lecture. *Østfold University, Norway*. (online)
- Negotiating tenor: Enacting affiliation in dialogue and monologue. *European Systemic Functional Linguistics Conference*. University of Vigo, Spain. June.
- Distributing Information: Setting up drills and giving instructions in sport. *European Systemic Functional Linguistics Conference*. University of Vigo, Spain. June.
- 2022 Building complex knowledge: A case study of physics. Guest Lecture, *Fujian Normal University, China* (online), November.
- Negotiating tenor: Enacting affiliation in dialogue and monologue. *Sydney SFL Seminar Series*. October.
- Distributing Information: Setting up drills and giving instructions in sport. *Australian Systemic Functional Linguistics Association*. Macquarie University, Sydney. October.
- Understanding multimodal scientific explanations: Field relations. Public Lecture, *Universitas Pendidikan Indonesia* (Indonesian University of Education), Indonesia (online), September.
- Tenor relations: Negotiating affiliation in dialogue. *Systemic Functional Linguistics Masterclass*, The University of Sydney, Australia, May.
- Building academic discourse: Technicality and iconisation. Guest Lecture, *Universitas Indonesia* (University of Indonesia), Indonesia (online), April.
- Sundanese nominal groups: Textual meaning and text. *Sydney SFL Seminar Series*. March.
- Writing for change: Negotiating regulation and proposing change. *Indonesian Forensic Linguistics Society Seminar Series* (online), February.
- 2021 Interpreting history: The role of tenor in valuing events. *Australian Systemic Functional Linguistics Conference*, University of Queensland, Australia (online), October.
- Tenor relations: Enacting affiliation in dialogue. *Australian Systemic Functional Linguistics Conference*, University of Queensland, Australia (online), October.
- Factoring out structure: Nuclearity, linearity and iteration. *Sydney SFL Seminar*, September

- Teaching reading and writing: Reading to Learn. *Universitas Indonesia* (University of Indonesia), Indonesia (online), August.
- 2020 Multimodal knowledge: Using language, mathematics and images in physics, *Notion* seminar series, Universitas Ahmad Dahlan, Indonesia (livestreamed online), November.
- Negotiating Community: Tenor and Affiliation in English. *Sydney SFL Seminar*, October.
- Context-Dependence: A Translation device for semantic gravity. *Sydney LCT Roundtable* (livestreamed online internationally), October. With Prof. Karl Maton.
- Constellations and explanations: How relations among ideas might shape how to teach them. *Sydney LCT Roundtable* (livestreamed online internationally), May. With Prof. Karl Maton.
